

Privacy Policy

Last modified: August ____, 2025

Terebinth, LLC (“**Company**,” “**we**,” “**our**,” or “**us**”) respect your privacy and are committed to protecting it through our compliance with this policy. This policy describes how we collect, process, retain, and disclose personal data about you when providing services to you through our websites <https://www.terebinthtech.com/> and <https://www.gittit.com/> (the “**Websites**”) and services that link to this policy (our “**Services**”) and our practices for using, maintaining, protecting, and disclosing that information.

While you can use many features of our Websites without being required to provide personally identifiable information, you may be requested to provide your personal information to gain access to some of our content or services, to contact us, to enter a contest, or to receive additional information from us.

This policy applies only to information we collect:

- Through the Services.
- In communications, including email, text, chat, and other electronic messages, between you and the Services.
- When you interact with our advertising and applications (including mobile apps) on third-party websites and services, if those applications or advertising include links to this policy.
- When you use any interactive features of the Services.

It does not apply to information collected by:

- Us offline or through any other means, including on any other website operated by us or any third party (including our affiliates and subsidiaries) that does not link to this policy; or
- Any third party (including our affiliates and subsidiaries), including through any website, application, or content (including advertising) that may link to or be accessible from or through the Services. **We do not control the data privacy collection of third party or affiliate websites.**

We may provide additional or different privacy policies that are specific to certain features, services, or activities.

Please read this policy carefully to understand our policies and practices regarding your information and how we treat it. By interacting with our Services or providing us with your information, you agree to the collection, use, and sharing of your information as described in this privacy policy. This policy may change from time to time (see [Changes to Our Privacy Policy](#)). Your continued use of the Services after we make changes as described here is deemed to be acceptance of those changes, so please check the policy periodically for updates.

Persons Under the Age of 18

Our Services are not intended for, and we do not knowingly collect any personal data from, anyone under the age of 18. If we learn we have collected or received personal data from anyone under 18 years old without verification of parental consent, we will delete that information.

The Personal Data That We Collect or Process

“**Personal data**” is information that identifies, relates to, or describes, directly or indirectly, you as an individual, such as your name, email address, telephone number, mailing address, payment information, or any other identifier we may use to contact you online or offline.

The types and categories of personal data we may collect or process include:

- Account and contact information, including name, mailing address, email address, phone number, username, and other contact information you provide us.
- Payment information, including credit card or debit card information and information about the payment methods and services (such as PayPal or Venmo) you use in connection with the Services.
- Account history, including information about your subscription, account, transactions, purchases, order history, or discounts.
- Demographic information, including your age and gender, if you have consented to such information collection.
- Location information if you have not disabled location information collection.
- Device information, including your IP address, device identifiers, operating system and version, preferred language, hardware identifiers, browser type and settings, and other device information.
- Content and information you elect to provide as part of your profile or in any reviews you make through the Services or emails, chats, or other communications sent to us.
- Images, voice recordings, and videos collected or stored in connection with the Services if you have consented to such information collection.

To learn more about California residents’ privacy rights, visit <https://oag.ca.gov/privacy/ccpa>. California law permits users of the Services who are California residents to request certain information regarding our disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please send us an email stating your request to EMAIL ADDRESS.

Some of the information identified above may be considered sensitive data under certain laws. If required under applicable law, we will collect and process sensitive personal data only with your consent. If you choose not to provide or allow us to collect some information, we may not be able to provide you with requested features, services, or information.

We also collect:

- **Statistics or aggregated information.** Statistical or aggregated data does not directly identify a specific person, but we may derive non-personal statistical or aggregated data from personal data. For example, we may aggregate personal data to calculate the percentage of users accessing a specific Services feature.
- **Technical information.** Technical information includes information about your internet connection and usage details about your interactions with the Services, such as clickstream information to, through, and from our Services (including date and time), products that you

view or search for, page response times, download errors, length of your visits to certain pages, page interaction information (such as scrolling, clicks, and mouse-overs), or methods used to browse away from a page.

If we combine or connect non-personal statistical or technical data with personal data so that it directly or indirectly identifies an individual, we treat the combined information as personal information.

How We Collect Your Personal and Other Data

You Provide Information to Us

We collect information about you when you interact with our Services, participate in surveys, sweepstakes, contests, or promotions, or create, upload, or post content to the Services.

Automatically Through Our Services

As you navigate through and interact with our Services, we may use automatic data collection technologies to collect information that may include personal data. Information collected automatically may include usage details, IP addresses, operating system, and browser type, and information collected through cookies, web beacons, and other tracking technologies including details of your interactions with our Services, such as traffic data, location data, logs, and other communication data, and which resources and Services features that you access and use.

We may use these automatic collection technologies to collect information about your online activities over time and across third-party sites or other online services (behavioral tracking).

Using automatic collection technologies helps us to improve our Services and to deliver a better and more personalized experience.

The technologies we use for this automatic data collection may include:

- **Cookies.** A cookie is a small file placed on your device when you interact with the Services. You may refuse to accept or disable cookies by activating the appropriate setting on your browser or device. However, if you select this setting, you may be unable to access certain features of the Services.
- **Web Beacons.** Some parts of the Services and our emails may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the Company, for example, to count users who have visited those parts or opened an email and for other related statistics (for example, recording the popularity of certain content and verifying system and server integrity).

To the extent any of these automated technologies are considered a personal data sale, targeted advertising, or profiling, under applicable laws, depending on where you live, you may opt out from use of these automated technologies for such uses by sending us an email stating your request to EMAIL ADDRESS. Please note that some Services features may be unavailable as a result.

When you interact with the Services, there are third parties that may use automatic collection technologies to collect information about you or your device. These third parties may include:

- Advertisers, ad networks, and ad servers.
- Content providers.

- App providers.
- Analytics companies.
- Your device manufacturer.
- Your internet or mobile service provider.

These third parties may use tracking technologies to collect information about you when you use the Services. The information they collect may be associated with your personal data or they may collect information, including personal data, about your online activities over time and across different websites, apps, platforms, and other online services. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content.

We do not control these third parties' tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly.

From Business Partners and Service Providers

We may receive personal data about you from other sources and combine that with information we collect directly from you. For example, we may obtain information about you from service providers that we engage to perform services on our behalf, such as email platform providers, content delivery services, payment processors, promotions services gift card program providers, analytics, security and anti-fraud services, and data brokers. We also may receive personal data from business partners that we engage to share consumer information with us so that we can better provide you with a personalized experience, including personalized content, offers, and services.

How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal data, to:

- Provide you with the Services and any contents, features, information, products, or services that we make available through the Services.
- Provide customer support.
- Fulfill any other purpose for which you provide it.
- Provide you with notices about your account, including expiration and renewal notices.
- Improve our Services, including by analyzing your information and creating aggregated data derived from your information) to develop, maintain, analyze, improve, optimize, measure, and report on our Services and their features and how users interact with them. Our analysis may include the use of technology like machine learning and large language models, which may include training these models or sharing with third parties for model training.
- Promote our Services, business, and offerings by publishing advertising on our own Services and by placing ads on third parties' services. We may use your information to model, segment, target, offer, market, and advertise our Services.
- Carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.

- Notify you when Services updates are available and about changes to any products or services we offer or provide through them.
- In any other way we may describe when you provide the information.
- For any other purpose with your consent.

The usage information we collect, whether connected to your personal data or not, helps us improve our Services and deliver a better and more personalized experience by enabling us to:

- Estimate our audience sizes and usage patterns.
- Store information about your preferences, allowing us to customize the Services according to your individual needs and interests.
- Speed up your searches.
- Recognize you when you return to our Services.

We may also use your information to contact you with newsletters, marketing or promotional material, or other information that may be of interest to you. You may opt out of receiving any, or all, of these communications from us by clicking the unsubscribe link or by following the instructions provided in any email we may send. For more information, see [Your Rights and Choices About Your Information](#).

Who We Disclose Your Information To

We may disclose aggregated information about our users, and information that does not identify any individual, without restriction.

We may also disclose personal data that we collect or you provide as described in this privacy policy:

- To our subsidiaries and affiliates.
- To contractors, service providers, and other third parties we use to support our business and who are bound by contractual obligations to keep personal data confidential and use it only for the purposes for which we disclose it to them.
- To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Terebinth, LLC's assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which personal data held by Terebinth, LLC is among the assets transferred.
- To third parties to market their products or services to you if you have consented to or not opted out of these disclosures. We contractually require these third parties to keep personal data confidential and use it only for the purposes for which we disclose it to them. For more information, see [Your Rights and Choices About Your Information](#).
- To fulfill the purpose for which you provide it.
- For any other purpose disclosed by us when you provide the information.
- With your consent.

We may also disclose your personal data:

- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.
- To enforce or apply our Terms of Use and other agreements, including for billing and collection purposes.
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of Terebinth, LLC, our customers, or others. This includes exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

Your Rights and Choices About Your Information

This section describes mechanisms you can use to control certain uses and disclosures of your information and rights you may have under state law, depending on where you live.

Advertising, marketing, cookies, and other tracking technologies choices:

- **Cookies and Other Tracking Technologies.** You can set your browser to refuse all or some browser cookies or other tracking technology files, or to alert you when these files are being sent. If you disable or refuse cookies or similar tracking files, some Services features may not be accessible or function properly. Some browsers include a “Do Not Track” (DNT) setting that can send a signal to the online services you visit indicating you do not wish to be tracked. Because there is not a common understanding of how to interpret the DNT signal, our Services may not respond to all browser DNT signals. Instead, you can use the range of other tools to control data collection and use, including the cookie controls and advertising controls described in this policy.
- **Promotions by the Company.** If you do not wish us to use your email address to promote our own or third parties’ products or services, you can opt out by clicking the unsubscribe link or by following the instructions provided in any email we may send. You can also opt out by logging into your account and adjusting your account settings and preferences or by sending us an email stating your request to EMAIL ADDRESS.
- **Targeted Advertising by the Company.** If you do not want us to use information that we collect or that you provide to us to deliver advertisements according to our advertisers’ target audience preferences, you can opt out by logging into your account and adjusting your user advertising preferences in your profile by checking or unchecking the relevant boxes or by sending us an email stating your request to EMAIL ADDRESS.
- **Disclosure of Your Information for Third-Party Advertising.** If you do not want us to share your personal data with unaffiliated or non-agent third parties for advertising and marketing purposes, you can opt-out by logging into your account and adjusting your user preferences in your profile by checking or unchecking the relevant boxes or by sending us an email stating your request to EMAIL ADDRESS.

We do not control third parties’ collection or use of your information to serve interest-based advertising. However, these third parties may provide you with ways to choose not to have your information collected or used in this way. You can opt out of receiving targeted ads from members of the Network Advertising Initiative (“NAI”) on the NAI’s website.

Location data choices:

- **Location Data.** You can choose whether or not to allow the Services to collect and use real-time information about your device's location through the device's privacy settings. If you block the use of location information, some Services features may become inaccessible or not function properly.

Your State Privacy Rights

Depending on your state of residency, you may have certain rights related to your personal data, including:

- **Access and Data Portability.** You may confirm whether we process your personal data and access a copy of the personal data we process. To the extent feasible and required by state law, depending on your state, data will be provided in a portable format. Depending on your state, you may have the right to receive additional information and it will be included in the response to your access request.
- **Correction.** You may request that we correct inaccuracies in your personal data that we maintain, taking into account the information's nature and processing purpose.
- **Deletion.** You may request that we delete personal data about you that we maintain, subject to certain exception under applicable law.
- **Opt Out of Using Personal Data for Targeted Advertising, Profiling, and Sales.** You may request that we do not use your personal data for these purposes.

Important: The exact scope of these rights vary by state. There are also several exceptions where we may not have an obligation to fulfill your request.

To learn more about California residents' privacy rights, visit <https://oag.ca.gov/privacy/ccpa>. California law permits users of the App who are California residents to request certain information regarding our disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please **send us an email stating your request to EMAIL ADDRESS.**

Many states, including California, Colorado, Connecticut, Delaware, Florida, Indiana, Iowa, Kentucky, Maryland, Minnesota, Montana, Nebraska, New Hampshire, New Jersey, Oregon, Rhode Island, Tennessee, Texas, Utah, and Virginia, provide (now or in the future) their state residents with rights to:

- Confirm whether we process their personal information.
- Access and delete certain personal information.
- Correct inaccuracies in their personal information, taking into account the information's nature processing purpose (excluding Iowa and Utah).
- Data portability.
- Opt-out of personal data processing for:
 - targeted advertising (excluding Iowa);
 - sales; or

- profiling in furtherance of decisions that produce legal or similarly significant effects (excluding Iowa and Utah).
- Either limit (opt-out of) or require consent to process sensitive personal data or process personal data of minors under 18, 17, or 16 years old.

The exact scope of these rights may vary by state. To exercise any of these rights please **send us an email stating your request to EMAIL ADDRESS**. To appeal a decision regarding a consumer rights request **send us an email stating your request to EMAIL ADDRESS**.

Nevada provides its residents with a limited right to opt-out of certain personal information sales. Residents who wish to exercise this sale opt-out rights may **send us an email stating your request to EMAIL ADDRESS**.

Some browsers and browser extensions support the Global Privacy Control (“GPC”) that can send a signal to process your request to opt out from certain types of data processing, including data “sales” as defined under certain laws. When we detect such a signal, we will make reasonable efforts to respect your choices indicated by a GPC setting as required by applicable law.

How We Protect Your Personal Data

We use commercially reasonable administrative, physical, and technical measures designed to protect your personal data from accidental loss or destruction and from unauthorized access, use, alteration, and disclosure. However, no website, mobile application, system, electronic storage, or online service is completely secure, and we cannot guarantee the security of your personal data transmitted to, through, using, or in connection with the Services. In particular, email, texts, and chats sent to or from the Services may not be secure, and you should carefully decide what information you send to us via such communications channels. Any transmission of personal data is at your own risk.

The safety and security of your information also depends on you. You are responsible for taking steps to protect your personal data against unauthorized use, disclosure, and access.

How We Retain Your Personal Data

We keep the categories of personal data described in this policy for as long as reasonably necessary to fulfill the purposes described or for as otherwise legally permitted or required, such as maintaining the Services, operating our organization, complying with our legal obligations, resolving disputes, and for safety, security, and fraud prevention. This means that we consider our legal and business obligations, potential risks of harm, and nature of the information when deciding how long to retain personal data. At the end of the retention period, personal data will be deleted, destroyed, or deidentified.

If you are a California resident, visit <https://oag.ca.gov/privacy/ccpa> for more information about the retention periods that apply to the personal data categories we collect.

Changes to Our Privacy Policy

We may update our privacy policy from time to time. If we make material changes to how we treat our users’ personal information, it is our policy to notify you by email to the email address specified in your account or through a notice on the Website’s home page.

The date the privacy policy was last updated is identified at the top of the page. You are responsible for ensuring we have an up-to-date active and deliverable email address for you and for periodically visiting this privacy policy to check for any changes.
